# ALEX ZHANG

Front-end developer

PERSONAL PROFILE

I am a graduate from USYD, Bachelor of Computer Science and techology, currently studying software engineering immersive course at General Assembly.

I have hands-on experience with front-end and back-end projects. By utilizing my professional skills and teamworking skill that I obtained from my previous employment, I would like to get a front-end developer position.

SKILLS

- React
- HTML,CSS JavaScript
- Node.js + Express.js
- Ruby on Rails
- MongoDB
- GraphQL
- Java
- Git
